

The Oak Tree Low Carbon Farm community supported agriculture scheme

Membership 1st June 2012 to 31st May 2013

I would like share(s) in The Oak Tree Low Carbon Farm Community Supported Agriculture (CSA) vegetable scheme, and agree to pay a monthly contribution of £32.50 per calendar month per share (equivalent to £7.50 per week)

Each share comprises one 36th share of the vegetables harvested from a one and a half acre area of the farm during the membership period of one year. Each share will be harvested weekly by Joanne Brannan, possibly with member help. Distribution of the weekly shares from the farm will be a cooperative effort between the CSA members and Joanne, with the aim of reducing carbon emissions of transport involved.

(All members please tick here) I am setting up a **monthly standing order** to pay the total of £ every **month** beginning on 1st June 2012. *Please make sure you set your SO up at least 3 working days in advance of this date.*

I understand that as a part of my membership of the CSA I undertake to work at least two hours per week **on average** during the busy season (March – August) and one hour per week **on average** during the rest of the year (September – February). This work commitment is per share, ie may be shared between members of your household. For example:

- a couple with a single share might choose to work one 8 hour day together once every eight weeks during the busy season
- a single shareholder might choose to work two one-hour evening sessions each week during the busy season.

This commitment may include work to administer/publicise the CSA by agreement with Joanne.

I agree that my contact details may be shared with other CSA members for the purpose of administering and organising the CSA (e.g. completing a spreadsheet of membership details). Your details will not be used for any other purpose.

I sign up to this project at my own risk and understand that although The Oak Tree Low Carbon Farm will do its best to supply consistent quantities and varieties of vegetables, there is no guarantee of specific produce or quantity. I understand that my membership is for the minimum period of one year from 1st June 2012. I understand that whether or not I pick up my share I will not be entitled to any kind of refund on my subscription, but I also understand that I will be entitled to any leftover produce in times of surplus, at no extra cost to myself.

I agree to follow health and safety instructions displayed at the farm and given by Joanne. I understand that while that while children under 18 are welcome at the farm, they remain the responsibility of their parents/guardians at all times.
