The Oak Tree
Low Carbon Farm

Summer Open Day as part of Suffolk Day Big Weekender Saturday 22nd June 10am - 4pm

Meet special guests Ipswich Wildlife Group who will join us on the 22nd! Martin and the team will bring bird boxes, bug boxes, hedgehog homes and more. You can make your own wildlife home or buy a ready-made one and get advice from our local experts about helping wildlife in your garden.

You can also find out about the Oak Tree Low Carbon Farm's unique Community Supported Agriculture scheme which offers:

- Weekly veg boxes containing freshly harvested food
- Optional free-range eggs, soft fruit and cut flowers
- Opportunities for helping out with practical tasks at the farm and learning about environmentally friendly food growing

Family friendly tours of the farm and refreshments will be available. Donations appreciated, thank you. We're a not-for-profit social enterprise.
