**The Oak Tree**

Low Carbon Farm

## **Autumn Open Day**

### **Saturday 21st September 10am - 4pm**

Enjoy a family friendly tour of the farm and find out about our Community Supported Agriculture scheme:

- All members of our scheme receive weekly veg boxes containing freshly harvested food from the farm
- Optional extras include free-range eggs, soft fruit and cut flowers.
- You can join us as an Armchair Member - which gives you all the benefits of membership and you don't have to do any work!
- Or, you can get involved with practical tasks at the farm if you wish and learn about environmentally friendly food growing.

At our Open Day we can tell you more about our scheme and how it works. We'll also have cut flowers and other goodies available for sale. And we'll have refreshments too! Donations appreciated. We're a not-for-profit social enterprise, set up in 2012.

**For more information see our website, or email us:**
